

SPECIAL REVENUE FUNDS – REGULATORY AND ADMINISTRATIVE RELATED

MICHIGAN EMPLOYMENT SECURITY ACT - ADMINISTRATION FUND

Public Act 1 of 1936 (Extra Session) created this fund to account for administrative costs of the Unemployment Agency, which is administered by the Department of Consumer and Industry Services. The fund derives most of its revenue from federal grants. It also receives transfers from the Michigan Employment Security Act Contingent Fund (reported as part of the Michigan Unemployment Compensation Funds, an enterprise fund). Expenditures for administration are subject to legislative appropriation.

Unemployment benefit payments to individuals are made directly from funds accumulated from employer premiums. These activities are reported in the Michigan Unemployment Compensation Funds.

SAFETY EDUCATION AND TRAINING FUND

Public Act 154 of 1974, as amended, imposes an annual levy on each insurance carrier licensed to write workers' disability compensation business in the State and on each self-insured employer. Public Act 24 of 1977 established the Safety Education and Training Fund to receive these assessments for support of the Department of Consumer and Industry Service's Safety Education and Training Division.

UNINSURED EMPLOYERS' SECURITY FUND

Under P.A. 198 of 1993, this fund succeeded the former Workplace Health and Safety Fund. This fund provided workers' compensation benefits to employees injured on or after June 29, 1990 (and for related claims administration), where their employer failed to provide coverage for them. This fund was closed in accordance with P.A. 357 of 1996. Sufficient equity in common cash was retained to cover the remaining liabilities.

STATE CONSTRUCTION CODE FUND

Public Act 230 of 1972, as amended, created the State Construction Code Fund. Fees received for building permit applications and other funds collected under this act are appropriated by the Legislature for the operation of the Department of Consumer and Industry Service's Bureau of Construction Codes and related indirect overhead expenditures.

HOMEOWNER CONSTRUCTION LIEN RECOVERY FUND

Established by P.A. 497 of 1980, the Homeowner Construction Lien Recovery Fund allows contractors, subcontractors, suppliers, and laborers to collect payments for work done if they have not been paid, despite filing a residential lien. The fund is self-sustaining and is financed by fees assessed on builders, electrical and plumbing contractors, and laborers.

STATE CASINO GAMING FUND

Created by P.A. 69 of 1997, this fund provides the licensing, regulation and control of casino gaming activities in Michigan. The five-member gaming control board is vested with the authority for licensing, regulating, and controlling casino gaming operations; manufacturers and distributors of gaming equipment and supplies; and persons who participate in gaming. Activities financed by casino gaming revenue are legally restricted for specific purposes.

SECOND INJURY FUND

Public Act 317 of 1969, as amended, created the Second Injury Fund to insure carriers and self-insured employers against certain workers' compensation losses. The administrator, appointed by the fund's Board of Trustees, supervises the fund. The fund's revenue consists of assessments, calculated under provisions of the act, which are assessed to insurance carriers and self-insured employers licensed or authorized in Michigan.

SILICOSIS, DUST DISEASE, AND LOGGING INDUSTRY COMPENSATION FUND

Established by P.A. 317 of 1969, as amended, the Silicosis, Dust Disease, and Logging Industry Compensation Fund reimburses insurance carriers who pay benefits to employees injured from certain dust diseases, and employees who have sustained personal injury or death while being employed in the logging industry. Revenues are generated through annual assessments of insurance carriers.
